

## MT-150

Cod. 00730000

EAN 8422248920797

### GENERAL INFORMATION

|           |               |
|-----------|---------------|
| EAN/UPC   | 8422248920797 |
| Subfamily | In Line       |

### General features

|                                        |                |
|----------------------------------------|----------------|
| Motor type                             | AC/SHADED POLE |
| Motor power (W)                        | 28             |
| Lighting technology                    | Safety         |
| Light quantity                         | Detail         |
| Filter type                            | N/A            |
| Number of layers                       | N/A            |
| Control description                    | N/A            |
| Power levels                           | N/A            |
| Timer                                  | -              |
| Electronic filter saturation indicator | -              |
| Dimmable lighting                      | 270            |

### Installation

|                           |      |
|---------------------------|------|
| Depth (mm)                | 108  |
| Total minimum height (mm) | 2300 |
| Outlet diameter (mm)      | 148  |
| Maximum pressure (Pa)     | 63   |
| Anti-return flap included | -    |
| Easy installation system  | No   |

### Power connection

|                           |          |
|---------------------------|----------|
| Nominal input power (W)   | 28       |
| Electric shock protection | Class II |
| Plug type                 | No plug  |

### Power and water connection

|                           |          |
|---------------------------|----------|
| Nominal input power (W)   | 28       |
| Electric shock protection | Class II |
| Plug type                 | No plug  |
