

## MDS 8007 X

Cod. 07034605

EAN 8422248347686

### GENERAL INFORMATION

|           |               |
|-----------|---------------|
| EAN/UPC   | 8422248347686 |
| Subfamily | Multifunction |

### Product sheet

|                                                     |             |
|-----------------------------------------------------|-------------|
| Energy Efficiency Index (EEI)                       | 86,6        |
| Energy efficiency class                             | A           |
| Energy consumption in conventional mode (kWh/cycle) | 0,85        |
| Energy consumption in fan mode (kWh/cycle)          | 0,84        |
| Heat source                                         | Electricity |
| Appliance mass [Kg]                                 | 30,6        |
| Number of cavities                                  | 1           |
| Cavity volume (L)                                   | 80          |

### Dimensions

|             |     |
|-------------|-----|
| Width (mm)  | 556 |
| Height (mm) | 545 |
| Depth (mm)  | 550 |

### Controls

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Control type             | Mechanical                                                                                                                         |
| Display                  | WHITE                                                                                                                              |
| Number of functions      | 7                                                                                                                                  |
| Functions                | Top_and_bottom_heating;Top and bottom heating with fan;Defrosting;Bottom heating with fan;Grill and fan;Grill;Top heating with fan |
| Timer                    | Electronic                                                                                                                         |
| On/off indicator         | √                                                                                                                                  |
| Thermostat indicator     | √                                                                                                                                  |
| Minimum temperature [°C] | 40                                                                                                                                 |
| Maximum temperature [°C] | 240                                                                                                                                |

### Characteristics

|                        |     |
|------------------------|-----|
| Cleaning               | No  |
| Removable inner glass  | √   |
| Light type             | LED |
| Number of light bulbs  | 15  |
| Bulb power [W]         | 1   |
| Number of door glasses | 2   |
| Manual door lock       | √   |
| Soft close             | -   |
| Side racks             | √   |
| Levels                 | 6   |
| Telescopic guides      | 1   |
| Convection fan         | √   |

### Safety

|             |   |
|-------------|---|
| Cooling fan | √ |
|-------------|---|

### Electrical connection

|                        |         |
|------------------------|---------|
| Nominal voltage (V)    | 220-240 |
| Nominal frequency (Hz) | 50/60   |
| Power cord length (m)  | 1,5     |

### Accessories

|            |   |
|------------|---|
| Deep tray  | √ |
| Steam tray | √ |
| Grill      | √ |
